

RYNO WORKHORSE TRUCK LINE INFORMATION

This information is subject to change-consult your local Ryno Dealer for any changes

1500 2WD Silverado or GMC Sierra

Headroom: 56" (57" with added body lift)

Pan Size (door open): 58" X 29"

(door closed) 58" X 27" Approx.

Suspension: 3" spindle lift for front

3" leaf spring blocks for rear

Recommended Suspension: 6" lift with 33" Rim and Tire Package for lift clearance

2500HD Silverado 2WD (Most Popular)

Headroom: 57" (58" with added body lift 58 1/2 with body/frame mod)

Pan Size (door open): 58"X 29"

(door closed) 58"X 27" Approx.

Suspension: 3" spindle lift for front

3" leaf spring blocks for rear

2500HD 4X4 Silverado

Headroom: 56" Only

Pan Size (door closed): 58"X 27" in rear- Pan narrows in the front because of the transfer case-this is a chair specific conversion and no other pan modifications can be done for added room. Some clients will have to make chair modifications or switch to another chair in order to use this 4X4 Ryno Truck.
